MEMORANDUM FOR: Director, Central Reference Service

THROUGH : Deputy Director for Intelligence

SUBJECT : Visual Presentation Assistance

John:

1. I want to thank you and your staff for the assistance you provided us in preparing the Director and Colonel White for their budget presentation before the Congress this year.

2. The short film on the "other war" which your people effectively edited had a considerable impact on the members of the Committee and helped us to give them a better feeling for the kinds of problems we face in Laos. The personnel involved in the editing of those eleven minutes of color film should be commended for a job well done.
